

Leadership Development Team

Procedures and Protocols

- Requests for funds will be accepted from churches based on a specific request
- Churches must demonstrate how this training or activity will assist them in moving forward with their vision
- The amount the Leadership Development Team grants to the church will be according to the need determined by the strategy and budget for the training opportunity
- The local congregation must be a financial partner for Central Association to grant funding
- Meetings of the leadership Development Team shall be held monthly or as needed.
